_____

Telephone: _____ **Email:** _____

I/We, the undersigned author(s) of the manuscript entitled _____

_____

_____

_____

Hereby declare that,

1. **Transfer of copyright:** I/We hereby declare and assign completely and wholly all present and future copyrights of above titled manuscript to Natural Products and Translational Medicine (NPTM) from the date of acceptance for publication in NPTM. Also ensure that the manuscript contains no violation of any existing copyright rights or rights of any other third party nor contains any obscene material, libellous or otherwise illegal in nature. If proven of any such violation in future, we take up full responsibility and will indemnify/compensate all claims or expenses arise of any kind including legal cost and expense based on this agreement.
2. **Malpractice or Scientific Misconduct Statement related journal Policy**: I/We confirm that the manuscript above is my/our original work without Plagiarism, or fabrication or duplication or not one with substantially similar content and has not been published previously elsewhere in any format (electronic, online or printed) or has been submitted or under consideration for publication elsewhere.
3. **Acknowledgement of other Sources**: We ensure that I/We have obtained necessary permission and have acknowledged the authors of source of any illustrations, figures or any other related materials been used in the manuscript.
4. **Conflict of Interest, Disclosures, Financial, and Material Support:** I/We certify that any/all financial and material support for this research and work are clearly identified and disclosed in the Acknowledgments section of this manuscript. Disclosure includes all related including all financial grants, employment, patents filed or granted or in preparation, inventions, honorarium etc.
5. **Authorship Contribution:** I/We have conducted the research work and take full reasonability for all content in the manuscript. Also warrant that the manuscript meets the requirements for authorship given in Journal's Instruction for authors and make clear that if the paper or any part of the paper is found to be faulty or fraudulent every author shares the equal responsibility.
6. **Policy Agreement:** I/We have read and agree to all the terms and conditions of journal and its policies without any objections.
